

The New AMSOIL BMK-17 Dual Remote Bypass Filtration System

The new BMK-17 kit will fit most vehicles where the SDF-24, 25, 52 & 76 oil filters are recommended, including the Chevrolet Duramax diesel engine.

The BMK-17 Dual Remote Filtration System is attached at the existing engine full-flow oil filter, by a spin-on adaptor. The kit includes a SDF-26 full-flow filter and a BE- 100 by-pass filter, spin-on adaptor, filter mount, and 8' of hose.

Additional parts:

BK-11 90 degree fitting 1/2" NPT (pack of 2)

BK-12 45 degree fitting 1/2" NPT (pack of 2)

BK-13 Oil sampling kit

BK-217 Hose 13/32" ID (additional hose, sold by the foot)
